Journal of ETHNO-PHARMACOLOGY

Subject index

Volume 57 (1997)

Abdominal constriction test; Analgesia; Tail flick test; Acute pain; Postoperative pain; Opioid analgesia **57**, 125

Acetylenes; Malaria; Chemotherapy; Plant extracts; *Bidens pilosa* **57**, 131

Acute pain; Analgesia; Abdominal constriction test; Tail flick test; Postoperative pain; Opioid analgesia **57**, 125

***Adenaria floribunda* (H.B.K.)**; *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Aegle marmelos; Antifungal activity; Bael; Essential oil; Kinetics; Spore germination; Medicinal plants **57**, 29

Airway relaxant; Stemonae radix; *Semona sessilifolia*; Muscarinic receptor; Dihydropyridine binding site; Receptor binding assay **57**, 57

***Alchornea castaneifolia* (Willd.) Juss.**; *Adenaria floribunda* (H.B.K.); *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

***Alphitonia zizyphoides* (Spreng.) A. Gray**; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Analgesia; Abdominal constriction test; Tail flick test; Acute pain; Postoperative pain; Opioid analgesia **57**, 125

Anaphylaxis; *Siegesbeckia glabrescence*; Compositae; Compound 48/80; Immunoglobulin E; Histamine **57**, 73

Antiemetic; Cisplatin; Emesis; Ginger; Dog **57**, 93

Antifertility; Carrot; Medicinal plant; Antisteroidogenic **57**, 209

Antifungal activity; *Aegle marmelos*; Bael; Essential oil; Kinetics; Spore germination; Medicinal plants **57**, 29

Anti-inflammatory activity; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Anti-inflammatory activity; *Lomatia hirsota*; Flavonoids and coumarin **57**, 81

Antimicrobial activity; *Campylobacter*; Enteropathogenic bacteria; *Terminalia macroptera*; *Vibrio cholerae* **57**, 203

Antimicrobial; 3,5,7-Trihydroxyflavone; Galangin; *Helichrysum aureonitens*; Medicinal **57**, 177

Anti-oedematous activity; *Calendula officinalis* L.; Marigold; Triterpendiol esters; Faradiol-3-myristic acid ester; Faradiol-3-palmitic acid ester; Taraxasterol **57**, 139

Antisteroidogenic; Carrot; Antifertility; Medicinal plant **57**, 209

Antitussive; *Leucas lavandulaefolia*; Sulfur dioxide; Cough; Methanol extract **57**, 89

Aphrodisiac drug; *Trichopus zeylanicus*; Mating; Sexual stimulation; Mice **57**, 21

***Artocarpus altilis* (Park.) Fosb.**; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Atropine; *Commiphora opobalsamum*; Blood pressure; Heart rate; Cholinergic receptors **57**, 219

Atuna racemosa* Raf. *ssp. racemosa; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Bael; *Aegle marmelos*; Antifungal activity; Essential oil; Kinetics; Spore germination; Medicinal plants **57**, 29

Baicalein; *Scutellaria baicalensis*; Human umbilical vein endothelial cells; Endothelial leukocyte adhesion molecule-1; Intercellular adhesion molecule-1; Cytokine **57**, 63

Bidens pilosa; Malaria; Chemotherapy; Plant extracts; Acetylenes **57**, 131

***Bischofia javanica* Blume**; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Blood pressure; *Bridelia atroviridis*; Cardiovascular activity; Neuromediators **57**, 189

Blood pressure; *Commiphora opobalsamum*; Heart rate; Cholinergic receptors; Atropine **57**, 219

Bridelia atroviridis; Blood pressure; Cardiovascular activity; Neuromediators **57**, 189

Ca^{2+} channel; Neuromuscular junction; Rat hemidiaphragm; Green tea; Crude polyphenol; *Camellia sinensis* **57**, 197

***Calendula officinalis* L.**; Marigold; Triterpendiol esters; Faradiol-3-myristic acid ester; Faradiol-3-palmitic acid ester; Taraxasterol; Anti-oedematous activity **57**, 139

Camellia sinensis; Neuromuscular junction; Rat hemidiaphragm; Green tea; Ca^{2+} channel; Crude polyphenol **57**, 197

Campylobacter; Antimicrobial activity; Enteropathogenic bacteria; *Terminalia macroptera*; *Vibrio cholerae* **57**, 203

Cardiovascular activity; *Bridelia atroviridis*; Blood pressure; Neuromediators **57**, 189

Carrot; Antifertility; Medicinal plant; Antisteroidogenic **57**, 209

Catalonia; Ethnobotany; Medicinal plants; Folk medicine **57**, 149

***Ceiba pentandra* (L.) Gaertner.**; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Cell culture; Toxicity; *Uncaria tomentosa*; Luminescence **57**, 183

Chemotherapy; Malaria; Plant extracts; *Bidens pilosa*; Acetylenes **57**, 131

Chenopodium chilense; Traditional medicine; Toxicity **57**, 85

Cholinergic receptors; *Commiphora opobalsamum*; Blood pressure; Heart rate; Atropine **57**, 219

Cisplatin; Emesis; Ginger; Antiemetic; Dog **57**, 93

Commiphora opobalsamum; Blood pressure; Heart rate; Cholinergic receptors; Atropine **57**, 219

Compositae; *Siegesbeckia glabrescence*; Anaphylaxis; Compound 48/80; Immunoglobulin E; Histamine **57**, 73

Compound 48/80; *Siegesbeckia glabrescence*; Compositae; Anaphylaxis; Immunoglobulin E; Histamine **57**, 73

Cough; *Leucas lavandulaefolia*; Antitussive; Sulfur dioxide; Methanol extract **57**, 89

Crude polyphenol; Neuromuscular junction; Rat hemidiaphragm; Green tea; Ca^{2+} channel; *Camellia sinensis* **57**, 197

Cytokine; *Scutellaria baicalensis*; Human umbilical vein endothelial cells; Endothelial leukocyte adhesion molecule-1; Intercellular adhesion molecule-1; Baicalein **57**, 63

Dependence; *Withania somnifera*; Morphine; Tolerance; Naloxone **57**, 213

Dihydropyridine binding site; Stemonae radix; *Semona sessilifolia*; Airway relaxant; Muscarinic receptor; Receptor binding assay **57**, 57

Dog; Cisplatin; Emesis; Ginger; Antiemetic **57**, 93

Emesis; Cisplatin; Ginger; Antiemetic; Dog **57**, 93

Endophyte-grass association; *Festuca argentina*; Poaceae; Loline alkaloids **57**, 1

Endothelial leukocyte adhesion molecule-1; *Scutellaria baicalensis*; Human umbilical vein endothelial cells; Intercellular adhesion molecule-1; Baicalein; Cytokine **57**, 63

Enteropathogenic bacteria; Antimicrobial activity; *Campylobacter*; *Terminalia macroptera*; *Vibrio cholerae* **57**, 203

Erythromycin estolate; Hepatic damage; Lipids; Livex; Hepatoprotection **57**, 161

Essential oil; *Aegle marmelos*; Antifungal activity; Bael; Kinetics; Spore germination; Medicinal plants **57**, 29

Ethnobotany; Catalonia; Medicinal plants; Folk medicine **57**, 149

Faradiol-3-myristic acid ester; *Calendula officinalis* L.; Marigold; Triterpendiol esters; Faradiol-3-palmitic acid ester; Taraxasterol; Anti-oedematous activity **57**, 139

Faradiol-3-palmitic acid ester; *Calendula officinalis* L.; Marigold; Triterpendiol esters; Faradiol-3-myristic acid ester; Taraxasterol; Anti-oedematous activity **57**, 139

Festuca argentina; Poaceae; Endophyte-grass association; Loline alkaloids **57**, 1

Flavonoids and coumarin; *Lomatia hirsota*; Anti-inflammatory activity **57**, 81

Flavonoids; *Passiflora incarnata* L.; Sedative; Staircase test; Free exploratory test; Light/dark box choice test; Indole alkaloids **57**, 11

Folk medicine; Ethnobotany; Catalonia; Medicinal plants **57**, 149

Free exploratory test; *Passiflora incarnata* L.; Sedative; Staircase test; Light/dark box choice test; Indole alkaloids; Flavonoids **57**, 11

Galangin; 3,5,7-Trihydroxyflavone; Antimicrobial; *Helichrysum aureonitens*; Medicinal **57**, 177

Ginger; Cisplatin; Emesis; Antiemetic; Dog **57**, 93

Green tea; Neuromuscular junction; Rat hemidiaphragm; Ca^{2+} channel; Crude polyphenol; *Camellia sinensis* **57**, 197

Heart rate; *Commiphora opobalsamum*; Blood pressure; Cholinergic receptors; Atropine **57**, 219

Helichrysum aureonitens; 3,5,7-Trihydroxyflavone; Antimicrobial; Galangin; Medicinal **57**, 177

Hepatic damage; Erythromycin estolate; Lipids; Livex; Hepatoprotection **57**, 161

Hepatoprotection; Erythromycin estolate; Hepatic damage; Lipids; Livex **57**, 161

Histamine; *Siegesbeckia glabrescence*; Compositae; Anaphylaxis; Compound 48/80; Immunoglobulin E **57**, 73

Human umbilical vein endothelial cells; *Scutellaria baicalensis*; Endothelial leukocyte adhesion molecule-1; Intercellular adhesion molecule-1; Baicalein; Cytokine **57**, 63

Immunoglobulin E; *Siegesbeckia glabrescence*; Compositae; Anaphylaxis; Compound 48/80; Histamine **57**, 73

Indole alkaloids; *Passiflora incarnata* L.; Sedative; Staircase test; Free exploratory test; Light/dark box choice test; Flavonoids **57**, 11

Intercellular adhesion molecule-1; *Scutellaria baicalensis*; Human umbilical vein endothelial cells; Endothelial leukocyte adhesion molecule-1; Baicalein; Cytokine **57**, 63

Isolated rat atria; Paeoniflorin; Veratrine **57**, 169

Kinetics; *Aegle marmelos*; Antifungal activity; Bael; Essential oil; Spore germination; Medicinal plants **57**, 29

Leucas lavandulaefolia; Antitussive; Sulfur dioxide; Cough; Methanol extract **57**, 89

Light/dark box choice test; *Passiflora incarnata* L.; Sedative; Staircase test; Free exploratory test; Indole alkaloids; Flavonoids **57**, 11

Lipids; Erythromycin estolate; Hepatic damage; Livex; Hepatoprotection **57**, 161

Livex; Erythromycin estolate; Hepatic damage; Lipids; Hepatoprotection **57**, 161

Loline alkaloids; *Festuca argentina*; Poaceae; Endophyte-grass association **57**, 1

Lomatia hirsota; Flavonoids and coumarin; Anti-inflammatory activity **57**, 81

Luminescence; Toxicity; *Uncaria tomentosa*; Cell culture **57**, 183

Malaria; Chemotherapy; Plant extracts; *Bidens pilosa*; Acetylenes **57**, 131

Marigold; *Calendula officinalis* L.; Triterpendiol esters; Faradiol-3-myristic acid ester; Faradiol-3-palmitic acid ester; Taraxasterol; Anti-oedematous activity **57**, 139

Mating; *Trichopus zeylanicus*; Aphrodisiac drug; Sexual stimulation; Mice **57**, 21

Medicinal plant; Carrot; Antifertility; Antisteroidogenic **57**, 209

Medicinal plants; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Medicinal plants; *Aegle marmelos*; Antifungal activity; Bael; Essential oil; Kinetics; Spore germination **57**, 29

Medicinal plants; Ethnobotany; Catalonia; Folk medicine **57**, 149

Medicinal plants; Quantitative ethnopharmacology; Traditional phytotherapy; Sardinia **57**, 97

Medicinal; 3,5,7-Trihydroxyflavone; Antimicrobial; Galangin; *Helichrysum aureonitens* **57**, 177

Methanol extract; *Leucas lavandulaefolia*; Antitussive; Sulfur dioxide; Cough **57**, 89

Mice; *Trichopus zeylanicus*; Aphrodisiac drug; Mating; Sexual stimulation **57**, 21

Morphine; *Withania somnifera*; Tolerance; Dependence; Naloxone **57**, 213

Muscarinic receptor; Stemonae radix; *Semona sessilifolia*; Airway relaxant; Dihydropyridine binding site; Receptor binding assay **57**, 57

Naloxone; *Withania somnifera*; Morphine; Tolerance; Dependence **57**, 213

Neuromediators; *Bridelia atroviridis*; Blood pressure; Cardiovascular activity **57**, 189

Neuromuscular junction; Rat hemidiaphragm; Green tea; Ca^{2+} channel; Crude polyphenol; *Camellia sinensis* **57**, 197

Opioid analgesia; Analgesia; Abdominal constriction test; Tail flick test; Acute pain; Postoperative pain **57**, 125

Paeoniflorin; Veratrine; Isolated rat atria **57**, 169

***Passiflora incarnata* L.**; Sedative; Staircase test; Free exploratory test; Light/dark box choice test; Indole alkaloids; Flavonoids **57**, 11

Peru; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis **57**, 35

Rat hemidiaphragm; Neuromuscular junction; Green tea; Ca^{2+} channel; Crude polyphenol; *Camellia sinensis* **57**, 197

Receptor binding assay; Stemonae radix; *Semona sessilifolia*; Airway relaxant; Muscarinic receptor; Dihydropyridine binding site **57**, 57

***Rorippa sarmentosa* (DC) Macbr.**; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Sardinia; Quantitative ethnopharmacology; Medicinal plants; Traditional phytotherapy **57**, 97

Scutellaria baicalensis; Human umbilical vein endothelial cells; Endothelial leukocyte adhesion molecule-1; Intercellular adhesion molecule-1; Baicalein; Cytokine **57**, 63

Sedative; *Passiflora incarnata* L.; Staircase test; Free exploratory test; Light/dark box choice test; Indole alkaloids; Flavonoids **57**, 11

Semona sessilifolia; Stemonae radix; Airway relaxant; Muscarinic receptor; Dihydropyridine binding site; Receptor binding assay **57**, 57

Sexual stimulation; *Trichopus zeylanicus*; Aphrodisiac drug; Mating; Mice **57**, 21

***Sida rhombifolia* L.**; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Siegesbeckia glabrescence; Compositae; Anaphylaxis; Compound 48/80; Immunoglobulin E; Histamine **57**, 73

Spore germination; *Aegle marmelos*; Antifungal activity; Bael; Essential oil; Kinetics; Medicinal plants **57**, 29

Staircase test; *Passiflora incarnata* L.; Sedative; Free exploratory test; Light/dark box choice test; Indole alkaloids; Flavonoids **57**, 11

Stemonae radix; *Semona sessilifolia*; Airway relaxant; Muscarinic receptor; Dihydropyridine binding site; Receptor binding assay **57**, 57

Sulfur dioxide; *Leucas lavandulaefolia*; Antitussive; Cough; Methanol extract **57**, 89

***Syzygium corynocarpum* (A. Gray) C. Muell.**; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

***Syzygium malaccense* (L.) Merr. and Perry**; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.)

Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Tail flick test; Analgesia; Abdominal constriction test; Acute pain; Postoperative pain; Opioid analgesia **57**, 125

Taraxasterol; *Calendula officinalis* L.; Marigold; Triterpendiol esters; Faradiol-3-myristic acid ester; Faradiol-3-palmitic acid ester; Anti-oedematous activity **57**, 139

***Terminalia catappa* L.**; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Vantanea peruviana* (Macbr.); Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Terminalia macroptera; Antimicrobial activity; *Campylobacter*; Enteropathogenic bacteria; *Vibrio cholerae* **57**, 203

Tolerance; *Withania somnifera*; Morphine; Dependence; Naloxone **57**, 213

Toxicity; Traditional medicine; *Chenopodium chilense* **57**, 85

Toxicity; *Uncaria tomentosa*; Cell culture; Luminescence **57**, 183

Traditional medicine; Toxicity; *Chenopodium chilense* **57**, 85

Traditional phytotherapy; Quantitative ethnopharmacology; Medicinal plants; Sardinia **57**, 97

Trichopus zeylanicus; Aphrodisiac drug; Mating; Sexual stimulation; Mice **57**, 21

3,5,7-Trihydroxyflavone; Antimicrobial; Galangin; *Helichrysum aureonitens*; Medicinal **57**, 177

Triterpendiol esters; *Calendula officinalis* L.; Marigold; Faradiol-3-myristic acid ester; Faradiol-3-palmitic acid ester; Taraxasterol; Anti-oedematous activity **57**, 139

Uncaria tomentosa; Toxicity; Cell culture; Luminescence **57**, 183

***Vantanea peruviana* (Macbr.)**; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; Medicinal plants; Western Samoa; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Veratrine; Paeoniflorin; Isolated rat atria **57**, 169

Vibrio cholerae; Antimicrobial activity; *Campylobacter*; Enteropathogenic bacteria; *Terminalia macroptera* **57**, 203

Western Samoa; *Adenaria floribunda* (H.B.K.); *Alchornea castaneifolia* (Willd.) Juss.; *Alphitonia zizyphoides* (Spreng.) A. Gray; *Artocarpus altilis* (Park.) Fosb.; *Atuna racemosa* Raf. *ssp. racemosa*; *Bischofia javanica* Blume; *Ceiba pentandra* (L.) Gaertner.; *Psychotria insularum* (A. Gray); *Rorippa sarmentosa* (DC) Macbr.; *Sida rhombifolia* L.; *Syzygium corynocarpum* (A. Gray) C. Muell.; *Syzygium malaccense* (L.) Merr. and Perry; *Terminalia catappa* L.; *Vantanea peruviana* (Macbr.); Medicinal plants; Peru; Anti-inflammatory activity; Prostaglandin biosynthesis; Rat ear oedema **57**, 35

Withania somnifera; Morphine; Tolerance; Dependence; Naloxone **57**, 213
